

Famous buildings

This do now will not be graded on accuracy but effort!

1. Can you name this building?
2. Where is it in the world?

3. Can you name this building?

4. Where is it in the world?

5. Can you name this building?

6. Do you know what it's original purpose was for?

7. Do you know whom built it?

8. Can you name this building?

9. Where is it in the world?

10. Do you know why this was built?

Like the questions before as part of the completion of this Buildings project I want a list of

At least 3 pics of famous buildings/landmarks

The name of the building

When it was made

An interesting fact
