

So Surreal

Mrs Ras

Facial Features refers to the Eyes nose and mouth of a person.

Popular belief says that Eyes are believed to represent clairvoyance, omniscience, and/or a gateway into the soul.

You use your mouth to voice your positions and thoughts about particular things or situations, either by making statements or through expressing your emotions

1) What do you think your EYES, NOSE, and Mouth can symbolize?what is your opinion

3. List what you see
4. Based on what you see and the facial feature what do you think the artist is symbolizing/ saying

5. List what you see
6. Based on what you see and the facial feature what do you think the artist is symbolizing/ saying

7. List what you see
